

Lucas Vale PE Sports Grant 2018-19

Physical education is highly valued at Lucas Vale Primary School. We always focus on providing high quality physical education lessons, and this with the support of the sports premium enables us to:

- Improve pupils’ health and wellbeing
- Enhance the teaching of PE in a variety of ways including training all our teachers to deliver high quality PE lessons, thus improving the quality of teaching over time.
- Develop opportunities for physical activities through clubs, extra-curricular activities and competitions

Initiative	Cost	Expected outcome	Intended Impact	Impact
Sports coach (employed March 2018) to lead on whole-school sports initiatives and support teachers in the teaching of PE	Annual Salary £18,756	To raise the quality of PE teaching To provide CPD for teaching staff. This will ensure there are good quality PE sessions being taught consistently.	CPD opportunities resulting in teachers more confident when leading PE sessions Children receiving a higher quality of physical education Staff know how to adapt existing lesson plans and schemes of work to meet National Curriculum requirements. Teachers to assess and monitor progress effectively in physical education	Teachers need to be more involved in the teaching of PE rather than just observing the coach. Ask them for termly feedback forms detailing the impact on their own practice. Coach to observe the teacher teaching a session at the end of each term and feedback to the teacher.

<p>Expand number of afterschool PE clubs. Target – Gymnastics, Athletics, Martial Arts, Cricket.</p>	£0	Increased provision of extra curriculum activities.	There is a noticeable increase in the number of clubs held for pupils, as well as an increase in the number of pupils competing at a higher level in sports.	Alongside in house sports clubs increasing, we have brought in outside agencies to run more specialist clubs e.g. dance and cheerleading.
<p>Sports coach to lead on staff meetings/INSET to give staff opportunities to develop their own practice.</p>	£100	To provide CPD for teaching staff who want to develop their PE teaching skills	Staff to develop their own practice with colleagues. Opportunities to share ideas and discuss	This hasn't happened yet because the priority for CPD time has had to be English and maths. The plan above should contribute more towards teachers learning.
<p>During Sports Week (Summer Term), provide opportunities for years 3, 4 and 5 to take part in extra-curricular activities.</p>	£1148	Children develop their leadership role and become play leaders at lunchtimes.	Pupils are enthusiastic and apply core skills to the challenge. They transfer skills learnt and support each other through a range of problem-solving activities.	Summer term
<p>Intra and inter competitions throughout the year for all pupils: sports day and also other competitions</p>	£500	Encourage a 'Sports for All' ethos.	Pupils transfer skills developed into cross-curricular activities. They demonstrate a motivation for active participation in sports and the taking part in competitions.	This is happening. We are also doing more across the partnership. Lucas Vale are winning some games. This needs to increase.

<p>In line with curriculum overview, consistently enter teams into borough competitions. Aim to enter an A team of excellence and if possible a B team of participation.</p>	<p>£200</p>	<p>Opportunity for all pupils to develop their competitive skills. Increased participation in sports. To see an increase in total number of children competing on Borough sports events.</p>	<p>Pupils' competitiveness impacts on other areas of the curriculum. They demonstrate competitiveness and sportsmanship.</p>	<p>This is all planned.</p>
<p>To invite professional Team GB/ Olympic athletes into school to host a special assembly and lead P.E. lesson for a day.</p>	<p>£400</p>	<p>To inspire the children, and raise money for their school for new P.E equipment etc. Funds raised also help towards athletes expensive travel, training and nutrition fees.</p>	<p>Pupils and teachers are motivated by professional athletes with whom they get to work closely. Children are inspired to aspire for greatness.</p> <p>Pupils make healthy and active choices, demonstrated by their positive attitudes about the decisions they make regarding their well-being.</p>	<p>We have a sports coach at Fairlawn who has taken part in international athletics- will organise for him to come and speak to the children and work with our coach to arrange a sports day in the summer.</p>
<p>To support staff with Physical Education CPD courses (external and/or year group skills specific)</p>	<p>£600</p>	<p>Staff more confident ensuring outstanding learning and progress in physical education</p>	<p>Students inspired to pursue new sports and exciting opportunities.</p>	<p>In house training and support is impacting on teachers. The coach has attended some training- details in the CPD log.</p>

PE School Trips for KS2	£500	KS2 students to experience a wide variety of sports and sport venues.	Children experience a range of PE related trips to local venues and stadiums – encouraging a recognition of sports to develop aspirations	Need to work with the coach to look at children attending sporting events.
Purchase 5 a day.tv – online aerobics to encourage active learning and exercise within the classroom	£686	To use exercise and activity to encourage active and engaged learners	Children using 5 a day.tv to focus their learning and improve outcomes across the curriculum	This needs to be a focus across the school.
Total Expenditure for 2017-2018	£22,890			PE has a much higher profile at Lucas Vale this year. Further developments can easily be made- see above.
