

Dear Parents/Carers

We have had a fantastic start to the term and our children continue to make us very proud in school and outside of school. It's a very busy term and we have lots of performances planned; please look out for the dates and times in the newsletter, on the parents' board and on the website.

We are very grateful for your continuous support and a big thank you to all parents who continue to ensure that their children read every day; reading is key to the success of our children.

Thank you to all year 6 parents for encouraging your child to attend prep sessions as this gives us more time to address the gaps they have in learning. Please ensure the children complete their home work to a high standard and do provide them with a healthy snack when they attend prep after school.

Reading workshops have been very successful this term and you have all given us some excellent feedback, thank you. We have the final **reading workshop for year 5 parents on Tuesday at 9am**, please make sure you attend.

It is parents evening next week so please ensure you make an appointment with your child's class teacher.

Thank you all for your continuous support.
