

1M class blog

Our overall topic for this term is 'Our World'. During our English lessons we will be looking at a variety of texts that are linked to animals including 'We all went on Safari', 'Mr Wolf's Pancakes', 'The Three Billy Goats Gruff' and 'The true story of the three little pigs'. We have started by looking at information texts about animals that live in the Serengeti National Park in Tanzania. The children have been working hard learning lots of new vocabulary based on the animal's appearance, habitat, diet and way of life. We will be moving on to instructional texts, persuasive letters, character description and newspaper reports.

In Maths we have been focusing on addition and subtraction with increasingly bigger numbers and using a variety of methods including ten frames, counting on and number lines. We will be moving on to measurement including length and height, mass and weight. Finally, we will be counting in multiples of 2's, 5's and 10's.

In our foundation subjects we will be covering the following areas:

Science- Animals including humans

We will be looking at types of animals and different ways to categorise them.

Geography- We are four nations

We will be looking at the countries that make up the United Kingdom.

History- Buildings of the past

We will be investigating the buildings in our local area.

DT- We will be making flags and homes.

Computing- Beebots

We will be creating, organising, storing and retrieving data.

RE- Easter around the world

PSHE- We will be talking about how we are unique and our important relationships

Music- Finding the beat in different styles of music and using correct musical language

Art- Textiles and textures

PE- gymnastics
