

This week.....

We continued with learning phonics!

We learnt the sounds **i, n, m** and **d**.

Please be looking for these sounds in the environment and in the reading books too.

Your child has brought home two books this week. As discussed at the reading morning, one book is chosen by your child and one by the adult they read with at school. Please be looking for the letter sounds your child knows. They should also look for the sounds most familiar to them e.g. the sounds in their name.

Next week.....

We will be learning the sounds **g, o, c** and **k**.

Please talk about these sounds with your children at home. Find objects and things that start with these sounds and look for them in the reading books.

If you have any questions about the phonics, please let us know.

We will be reading books about our families and learning more about parts of our bodies.

Please be talking about the parts of the body and what each part helps us to do.

We will also be talking about the importance of looking after our bodies. We will be remembering the importance of brushing our teeth twice a day, having a bath regularly, eating healthily and getting a good night's sleep.

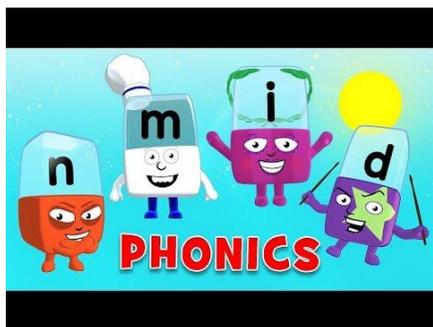

Did you know that a 5 year old should be getting at least eleven hours sleep each night?

Home Learning

Book-bags will be changed weekly.

Please ensure book-bags come in **every day**.

Please have a go at the sheet in the home learning folder.

Thank you for sending in any of the items below.

Old food magazines, menus, catalogues and newspapers

Junk modelling – empty and clean cardboard boxes and containers

Shaving foam + Bubble bath

Dates for your diary!

Individual photograph day
15th October

Last day of the half term
18th October

ATTENDANCE

Thank you for getting your child here on time every day. We start out learning promptly at 8:55am so please continue to ensure they are on the playground before the bell rings.
