

This week.....

We learnt the sounds **ck, e, u and r** in phonics this week.

Please be looking for these sounds in the environment and in the reading books too.

Thank you to so many parents who logged in to the Zoom meeting today. Your support with reading and phonics is appreciated and will hugely benefit the children.

We have been talking about what we like and what our favourite things are. We did some fantastic writing about this too! Please be talking about your children's favourite things and find out why they like them.

Next week.....

Our next topic is "Shine a Light!". We will learn all about light and, also, about how different people celebrate a range of festivals e.g. Diwali, Christmas, Hannukah, etc. Please let us know how you celebrate any of these festivals. We would love to share the children's experience and beliefs.

We will continue to learn new phonics sounds and recall the previously taught sounds too.

Next week is h, b, f, l/l

In Maths, we will be matching a specific number of objects up to 20 to match a given numeral. Please ensure your children are using the sheets we send home to support their learning.

After Half Term.....

The children will stay until 2:55pm after half term as we slowly begin to build back up to a normal finish.

The children should also come to school in their PE kits on Wednesdays too. (PE t-shirt, jogging bottoms and plimsolls/trainers). Thank you!

WOW cards

Please complete one WOW card over the half term.

Dates for your diary!

Last day of the half term

Friday 23rd October

Back to School

Monday 2nd November

Parents' evening phone calls

11th and 12th November
(Times to follow)

ATTENDANCE

Thank you for getting your child here on time every day.
The gate closes at 8:55am. You will need to enter through a different gate after this time and may be registered as late if your child arrives after 9am.
Thank you!
