

This week.....

We learnt the sounds h, b, f, l

Thank you to so many of you who attended the zoom meetings over the past few days. Your input into how Lucas Vale is doing is so important and we really appreciate it.

We have had a busy week and the children have produced some amazing writing. We have also enjoyed the story of "The Owl Who Was Afraid of the Dark". The children learnt some words that they might be able to tell you about. These include beautiful, necessary and wonderful.

Next week.....

We will be learning the sounds j, v, w, x

Please talk about these sounds with your children at home. Find objects and things that start with these sounds and look for them in the reading books.

If you have any questions about the phonics, please let us know.

We will also be learning about "one more than" in Maths. We will talk about how numbers get bigger as the quantity increases and begin to think about basic addition.

We will also continue to learn about our "Shine a Light" topic and share our experiences of festivals and celebrations we may celebrate at home and also talk about how light is important for us.

Have a wonderful weekend!

Home Learning

Book-bags will be changed weekly.

Please ensure book-bags come in **every day**.

Please have a go at the sheet in the home learning folder and return this by next Wednesday.

WOW cards

Thank you for your WOW cards.
Please keep sending them in.

Parent/Carers' Evening

Please be expecting a call from the school number after school next week.

This will be to talk about how the children have settled in, what they need to be focussing on at home and answer any questions you may have.

If you are unable to take the call, we will try again at a later date.

Thank you

ATTENDANCE

Thank you for getting your child here on time every day. We start our learning promptly at 8:55am so it is very important that the children are not late. Thank you for your support with this.
